

Robokids Newsletter 2020 Term 1

Robokids had a bumper 2019 with over 220K new clients for our franchise teams. With the Xmas holidays complete we have reflected at our annual conference in Thredbo Lake Crackenback on 2019, what and how we deliver our workshops to our schools and community service centers. We are so excited to offer a new format which facilitates enquiry-based learning as well as deeply connecting with KLA outcomes in each of our states. With one client saying “what an amazing proposal, we love it and can’t wait to work with you”. Each day we are grateful for the opportunity to work with our schools and dedicated teachers. We are also incredibly grateful for our new referrals, thank you!

Here are some of the schools we welcomed to our community in 2019

Robokids Sponsor the Smith Family

We continue to support the Smith Family and sponsor children in education.

Professor Dean Lusher Swinburne University

Toyota have seconded SNA (Social Network Analysis) headed by Professor Dean Lusher, to work alongside Robokids in the Footscray Learning Precinct. SNA will be evaluating Robokids effectiveness in facilitating the development of a FLP community in STEAM. Results to come at the end of Term 4. We are so thrilled to be part of the FLP STEAM solution. Watch this space!

Early Years Learning

Our online Early Learning lessons will be launched in March. These will be available to purchase from our website (\$100 for 5x 30-minute sequential

lessons). All lessons will be aligned to the Early Years Framework.

Robokids will also be presenting at the ECEC forum at Brighton Leigh Sands in March.

We look forward to seeing you throughout the year. May the start to the new decade be prosperous and safe for all.

***Warm Regards,
Michele and Team***
